# Short Video from Kuaishou

#### State 1: Content Extraction

The video shows President Donald Trump being interviewed in an indoor scene, with text above the video that reads "TRUMP: I've been through four years of helt, costing millions, and I'm going to get revenge on everyone".

## State 2: Video Content Analysis

The content of the text and audio contains numerous references to such words as "hell", "spending millions" and "revenge", which involve the negative emotions and vengeful remarks of political figures, and may have a tendency to engage in politically inappropriate speech or conduct.

#### State 3: Interim Check

The content of this video may be suspected of crimes against humanity, and user comments on the video need to be introduced for additional judgment.

#### State 4: User Feedback Analysis

There are many comments involving violence, revenge and other content, such as "all mutilated", "you do not come to do unification, but to take revenge" and so on. These comments are filled with an atmosphere of anti-human

### State 5: Final Summary

In summary, there is a bottom line problem with this video, which is labeled "**Crimes Against Humanity**".
